Faith Message:

Greetings to all who believe -

Last month in VBS we learned, among other things, that **GOD HAS THE POWER TO LOVE US FOREVER** (hold on!)

When I asked the kids what forever meant, I got a kids answer, “well...forever”.

We’ve never seen or been to heaven so we tried to imagine what forever is like. What heaven is like. Close your eyes and imagine with us.

Do you see many colors, colors of the rainbow? Do you hear the sounds of summer, maybe the sounds of crickets and birds? How about the sounds of a babbling brook? There may be thunder, maybe the sweet sounds of a harp or maybe silence.

So now how is it that we have the comfort of knowing where our ‘forever’ is and that **GOD HAS THE POWER TO LOVE US FOREVER?**

In part of Hebrews 11:6 it states, “... anyone who wants to come to him must believe that there is a God and that he rewards those who sincerely seek him.”

Our mission statement here at First Lutheran is **“We are believers seeking to invite all into the caring, sharing and growing ways of Christ.”**

Through VBS we were able to live up to our mission statement. We were able to invite all of our children to believe, seek and understand the wonder of the everlasting love of our Heavenly Father.

So from one believer to another, I hope blessings will continue to be with you always...
