### **Faith Message:**

**Our hands...** we look at them and see such an important part of ourselves. They help us do so many things in our lives. They can hold a tiny baby or a frail loved one's hand. We offer it in greeting, we offer it to comfort, and we offer it in love. As we wonder about all we use our hands for, let's also wonder about this...

A basketball in my hands is worth about \$19.00.  
A basketball in Michael Jordan's hands is worth about \$33 million.  
**It all depends on whose hands it's in.**

A baseball in my hands is worth about \$6.00.  
A baseball in Mark McGuire's hands is worth about \$19 million.  
**It all depends on whose hands it's in.**

A tennis racket is useless in my hands.  
A tennis racket in Venus William's hands is a championship winning.  
**It all depends on whose hands it's in.**

A rod in my hands will keep away a wild animal.  
A rod in Moses' hands will part the mighty sea.  
**It all depends on whose hands it's in.**

A sling shot in my hands is a kid's toy.  
A sling shot in David's hand is a mighty weapon.  
**It all depends on whose hands it's in.**

Two fish and 5 loaves of bread in my hands is a couple of fish sandwiches.  
Two fish and 5 loaves of bread in God's hands will feed thousands.  
**It all depends on whose hands it's in.**

Nails in my hands might produce a birdhouse.  
Nails in Jesus Christ's hands will produce salvation for the entire world.  
**It all depends on whose hands it's in.**

As you see now, it depends on whose hands it's in.  
So put your concerns, your worries, your fears, your hopes, your dreams, your families and your relationships in God's hands because-  
**It all does depend on whose hands it's in.**

**May God's blessings continue to be with you always...**
