*Isaiah 40:31 - "Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint"*

#### **Faith Message:**

This is one of my favorite Bible passages and I love the beautiful framed prints of an eagle to illustrate it.

It is a great comfort knowing that God will grant me strength when I am weak and hope when I have given up.

When we hope/wait on the Lord, He will renew our strength. We so often get into trouble when we rely on our own strength instead of waiting for Him. When we put our trust in God He renews our strength. He will pick us up and carry us. He will grant us the courage and ability to overcome when every ounce of our human energy and resources are used up. He is always there for us and will never leave us or forsake us. Even when He seems silent and our problems seem insurmountable, God is there. He carries us through the storm and we soar on currents of His love and grace.

Dear Lord, we confess that we are helpless and need you. Please forgive us for trying to make it on our own and help us to put our complete trust in You. Help us to hear your still, small voice to guide us, and your strong arms to carry us through the storms of life. In your mighty name we pray. Amen

In faith and friendship,
