1 John 4:9 – “This is how God showed His love among us. He sent his one and only Son into the world that we might live through Him”

Faith Message

God's expression of love for us is nothing short of extravagant! Jesus is not merely a token of love, like a rose passed from one person to another. He is the divine human who willingly gave up His life so that anyone who believes in him for salvation can have an everlasting relationship with God.

Our response to God's love should be our self-sacrificing love for one another. Our ability to love on another is dependent upon his love being renewed and made complete in us. This expression of love in our relationships is a result of what the Holy Spirit is producing in our hearts. Go love one another, as He loves us!
