GETTING INVOLVED (Parents)

VOLUNTEERING WEEKLY: there are a variety of opportunities to help with weekly programming. We can always use people to help out or if interested even co-lead. Call Tonya for further information.

DRIVERS: We always need drivers for our events. So let us know if you wouldn't mind driving a van full of kids around or if you have a larger vehicle you don't mind lending.

EVENT FOOD HELP: what is a monthly event without food? ☺.... We are always looking for people to bring bars for the TLC pizza nights or some other events.

VOLUNTEERING FOR MONTHLY EVENTS OR TRIPS: If you hear of an event that the youth are going to be a part of and you think you would love to be a leader or help, contact Tonya. We are always in need of adult chaperones or adult leaders for our gatherings, summer bible camps, day trips, or summer trips.

LENTEN SUPPERS: Our Lenten suppers are a big part of our funding FLY ministries. The junior high youth work hard at these suppers to not only raise funds but also provide a time of fellowship for the families around their Lenten evening worship. There is always need for adult help....supervising the youth, helping provide food, helping with set up, helping in the kitchen, helping with the clean up..... join us! We really do have fun!

YOU NAME IT.... what's your passion area? Wanna help us build better websites or start up or try and new outreach or idea.....? You tell us and let's see if we can't team up your passions with our purposes.... We would LOVE TO HEAR FROM YOU! ☺
